1 **DEMAND FOR JURY TRIAL**

2 Defendant hereby demands a jury trial on all causes of actions (claims)  
3 alleged in Plaintiff's Complaint and on all Affirmative Defendants raised herein.

4 **AFFIRMATIVE AND OTHER DEFENSES**

5 **First Affirmative Defense**

6 The Complaint fails to state a claim, in whole or in part, upon which relief  
7 can be granted.

8 **Second Affirmative Defense**

9 Defendant affirmatively avers that the issues of liability and damages should  
10 be bifurcated and, therefore, requests same.

11 **Third Affirmative Defense**

12 Defendant is informed and believes and thereon alleges that Plaintiffs are  
13 barred from recovering any damages, or any recovery must be reduced, by virtue  
14 of Plaintiffs' failure to have exercised reasonable diligence to mitigate their alleged  
15 damages.

16 **Fourth Affirmative Defense**

17 Any recovery on the Complaint, or any purported cause of action or claim  
18 alleged therein, is barred because the alleged damages were not proximately  
19 caused by any conduct of Defendant as alleged or otherwise.

20 **Fifth Affirmative Defense**

21 The Complaint, and any claims for relief therein, are barred by the  
22 applicable statutes of limitations.

23 **Sixth Affirmative Defense**

24 Any damages alleged in the Complaint, if there were any, were caused  
25 solely by an act or omission, contributory or comparative negligence or fault of a  
26 third party other than an employee or agent of Defendant, or other than one whose  
27 act or omission occurred in connection with a contractual relationship, existing  
28 directly or indirectly with Defendant.

1                                   Seventh Affirmative Defense

2           If Defendant is judged liable for any damages claimed in the Complaint,  
3 such damage should be apportioned among all parties, proportionate to their degree  
4 of fault, and any such judgment against Defendant should be reduced or  
5 apportioned according to the principles of complete or partial indemnity.

6                                   Eighth Affirmative Defense

7           Defendant alleges that Plaintiffs' claims are barred to the extent their costs,  
8 if any, were incurred as the result of their violation of regulatory standards or  
9 failure to cooperate with public officials.

10                                  Ninth Affirmative Defense

11           Plaintiffs have failed to join indispensable parties as required under both  
12 state and federal law.

13                                  Tenth Affirmative Defense

14           Defendant is informed and believes and thereon alleges that Plaintiffs knew,  
15 or in the exercise of ordinary care, should have known of the risks and hazards  
16 involved in the undertaking alleged in the Complaint but nevertheless and with full  
17 knowledge, did fully and voluntarily consent to assume the risks and hazards  
18 involved in the undertaking.

19                                  Eleventh Affirmative Defense

20           Defendant is informed and believe and based thereon allege that any and all  
21 acts or omission of Defendant, his agents or employees, referred to in the  
22 Complaint were reasonable, and therefore, Defendant is not liable for any of the  
23 alleged injuries to Plaintiffs.

24                                  Twelfth Affirmative Defense

25           Defendant is informed and believes and thereon alleges that under the  
26 provisions of the Fair Responsibility Act of 1986, commonly known as proposition  
27 51 (California Civil Code sections 1432, et seq.), there can be no recovery,  
28 judgment or award against Defendant for any non-economic damages except those

allocated to Defendant in direct proportion to its percentage of fault, if any such fault or damages there be.

Thirteenth Affirmative Defense

Defendant is informed and believes and based thereon alleges that the injuries and damages complained of, if any there were, were the substantial legal result, in whole or in part, of the misconduct, acts or omissions of persons, entities or instrumentalities over which Defendant had no control, and any recovery against Defendant should to that extent be reduced or barred entirely.

Fourteenth Affirmative Defense

Plaintiffs' claims are barred by the doctrines of waiver, laches, estoppel or unclean hands.

Fifteenth Affirmative Defense

Plaintiffs' state law claims are barred due to federal preemption.

Plaintiffs' claims are barred due to accord and satisfaction.

Sixteenth Affirmative Defense

Plaintiffs' Complaint may be barred by any or all of the affirmative defenses contemplated by Rule 8 of the Federal Rules of Civil Procedure. The extent to which Plaintiffs claims may be barred by one or more of said affirmative defenses not specifically set out above cannot be determined until Defendant has the opportunity to conduct adequate discovery. Therefore, Defendant reserves the right to assert any additional defenses based upon evidence obtained during the course of discovery.

WHEREFORE, having answered Plaintiffs' Complaint, Defendant requests the following relief:

1. That Plaintiffs' causes of action or claims be dismissed;
2. That Plaintiffs recover nothing from Defendant;
3. For the costs of this action, including such attorneys' fees as are permitted by law; and

1 4. For such other and further relief as this Court deems just and proper.
